

Thank you for allowing me to be of service to the Boulder area. The regional assembly in September was held and new regional positions were elected on. You can see the still open positions below. The Boulder area had only one GSR attend the meet.

The CRCNA Committee is still needing to have home groups from the region sign up to host the hospitality room. No homemade food can be brought in. All food must be store bought or brought in from a restaurant. This rule is per the hotel.

Online registration for CRCNA will be closing sometime in October. There was no specific date given. The CRCNA merchandise sales online have closed. However, there will be more merchandise at the convention for purchase.
