Facility Support

The Colorado Regional H&I subcommittee is continuing to host two virtual H&I meetings a week on Monday and Saturday nights. The Saturday night meeting is open to the fellowship via Zoom (Meeting ID: 122-099-809). These meetings are being recorded. The regional H&I committee is making the live and recorded meetings available to the area H&I facilities.

In May, the Boulder H&I subcommittee created a standardized email with live H&I virtual meeting information, links to recorded meetings, and information about how to access literature. Each panel coordinator sent the same email to their respective facilities to ensure that our message is consistent. So far, we have had one facility request a DVD of the speaker meetings and another facility has shared the links to the recorded meetings with its residents. We are planning to check in with our facilities once a month to see if they need literature, have any updates for resuming in-person meetings, etc.

Subcommittee Updates

- Tiana M. was elected as the Boulder Area H&I vice-chair.
- The subcommittee decided to continue posting the Boulder Area H&I Help Wanted flyer on the Boulder Area website to prepare for the eventual reopening of facilities for in-person meetings.

Literature order

For the third consecutive month, I am not submitting a literature order. I would like to request that the Boulder Area hold back \$375, if the funds are available, towards a future H&I literature order. (The monthly H&I budget is \$375.)

\*\*\*CRCNA LIAISON- Chairperson: Leonard (absent)

Beau: merchandize and registration is available online, but no refunds will be offered this year regardless of if the convention is held or not. Merchandise will be shipped, and registration will roll over to next year (if the convention is postponed). As of now the event is live.
