- Ready to Work and Centennial Peaks are still having weekly meetings. They are closed meetings for panel members only. In the upcoming months, we anticipate other facilities to gradually reopen and reinstate meetings.

**NEXT AREA MEETING:
November 7th, 2021 @ 9:30am HYBRID**

- The subcommittee is exploring the formation of a new meeting that focuses on young people (25 and under). Our goal is to find a partner organization in the Boulder Area that will allow NA members inside and outside their community to participate. H&I will populate the panel with members who became clean while they were young. H&I will aim to create a safe space where young members can come and experience NA without the predation of older members who are attracted to young newcomers. More information will be presented at future meetings.
- At the regional level, there are opportunities to support H&I virtually. There are panel meeting webinars that are being sent into facilities in multiple states. Help is needed. The Regional Subcommittee is looking for panel members, speakers, people to burn DVDs and help with editing. If you or someone you know has a desire to get involved, give me a call (Brian S - 303.929.7912).
-
- We received our past literature orders. Another literature order is being requested at this time in the amount of \$350.00 for books and pamphlets. I will coordinate with TJ to submit and obtain an order.
-
- Thanks,
- Brian
